Once again, the holidays are almost here. Another year has come and gone and we are starting to see, hear and smell the wonderful Holiday Season. This is the time of year when a lot of us are enjoying office parties, family outings or vacations. We are Joyful and Thankful for the blessings we have in our Co-workers, our Friends, and most importantly our Families.

Keeping Your Family Safe & Secure for the Holidays!

This is also the time of year that we normally see an increase in burglaries. Thieves are expecting to find holiday gifts in your homes & offices and they may attempt to break into your locations to get them. San Antonio Security would like to remind you to be proactive. Always make sure your alarm is set in the "ARMED" position and if necessary, assign additional alarm codes to your visiting family or guests. We know that it may be more difficult to keep track of your alarm during the heavier traffic season so we have a solution for you that may help.

San Antonio Security offers "Interactive Monitoring" and "Interactive Video Monitoring" to our customers. This **Interactive Monitoring** is the best tool for remotely taking control of your Home or Office Security System. This service allows you to remotely view status and control the operation of your security system from any internet enabled device such as a smartphone, tablet or laptop. In addition, you will also receive Text Notifications from your security system when it used or activated.

With **Interactive Video Monitoring**, you can enjoy all the features listed above and increase your control by also viewing live camera footage. Cameras can be utilized to provide remote streaming live video footage in addition to a Cloud based video storage capability for those times you are unable to keep your eyes on things.

Take control and maximize your protection this holiday season by utilizing the additional services available to you through San Antonio Security! Contact our office at 210-342-3100.

Our business office will be closed Thursday, Nov 22th & Friday, Nov 23 for the THANKSGIVING HOLIDAY
&
Monday Dec 24th & Tuesday, Dec 25th for the CHRISTMAS HOLIDAY
