BURGLARY ALARM - Residential & Commercial Monitoring - Deter potential burglars by protecting all of your perimeter doors & windows, then address the interior detection areas with motion detectors and glass-breaks for maximum monitored security.

FIRE ALARM - Residential & Commercial Monitoring - Provides life saving notification of the presence of heat or smoke with monitored heat/smoke detectors.

CARBON MONOXIDE - Residential & Commercial - Early detection is the key to preventing injury or death from Carbon Monoxide poisoning by installing a monitored CO detector.

TEMPERATURE PROBES - Residential & Commercial - Minimize damage from extreme temperature changes by monitoring high and low temperatures in places such as computer rooms, wine cellars or vacation homes.

LEAK DETECTION - Residential & Commercial - Minimize damage caused by leaks from water heaters, air conditioners, washing machines & plumbing with early detection by monitored "water bugs".

OPEN/CLOSE - Residential & Commercial - Receive reports showing the arming & disarming of your systems for example by children, housekeepers or employees.

DELINQUENCY - Residential - Notifies you if no movement or activity has occurred in a specified amount of time. Especially useful when there are elderly that live alone.

VIDEO MONITORING - Residential & Commercial - Camera/alarm combined video systems allows the opportunity to monitor live activity in your home or business when the system is activated.

**MAKE THE MOST OF YOUR MONITORING WITH ALL
SAN ANTONIO SECURITY HAS TO OFFER.**

Draft customers may submit their entries online by using the *contact us* option..

Refer a friend and
receive 3 months
FREE Basic
Monitoring with their
service activation.

Maintenance Agreement

Don't let the cost of service prevent you from repairing your alarm system. SAS offers a full service agreement to help you with the expense of repairs when your alarm needs service. Contact Glenn Munford at (210) 342-3100 or email him at gmunford@saalarms.com for more information.
