### Keep an Eye on Your Family and Home/Business Wherever You Are!

San Antonio Security offers a variety of systems that allow you to keep an eye on your home or business wherever you go. Whether it be keeping track of your kids activities around the home during the summer months, knowing when and who is entering/exiting your home or business, or just checking in on the employees/clients within your place of business, we can help you get this accomplished.

More and more, our clients are asking for Video on the Go! With an Internet Capable Smartphone, Laptop, or other type Internet Capable Mobile Device, you can now look in on cameras installed in your Home or Office remotely. We offer

numerous Observation Type Systems that can be geared to your desire to check in on what is going on when you are not there. Can you picture the possibilities now?

San Antonio Security can offer you a complete camera system installation with an onsite Digital Recorder, or a Video Camera Solution with Off-Site event recording storage.

You can even combine a Camera System Installation with a Fully Interactive Alarm Package that will notify you of important events that you want to know about right when they occur via a text or email message.

In addition to our Video and Alarm solutions mentioned, with today's wireless technology, you can enhance your remote control capabilities to allow off site control of lighting, locks, and utilities such Air Conditioning/Heating. Do you want the temperature raised or lowered when the alarm is armed in the away mode? No Problem. Do you want certain lights to come on automatically when the alarm is disarmed? No Problem. The possibilities are endless!

Call us today and let San Antonio Security help you "Keep an Eye on Your Family and Home/Business Wherever You Are!"

#### Maintenance Agreement

Don't let the cost of service prevent you from repairing your alarm system. SAS offers a full service agreement to help you with the expense of repairs when your alarm needs service. Contact Glenn Munford at (210) 342-3100 or email him at gmunford@saalarms.com for more information.
